A very faint, light-colored background image of a classical-style building with four columns and a triangular pediment. The building appears to be made of stone or concrete and is set against a bright, overexposed sky.

Chet "Smiley" Zaleski

In every high school there is always one smiling face that is to be remembered because of its consistency. There is always one cheery person who brightens up your day, no matter how much school can get you down, just by smiling and saying "hi."

Our school is no exception. There is one man who has swept his way into our hearts, in all of the four years we have been here, with his happy-go-lucky attitude.

That man is Chet Zaleski. His never-ending good humor and steadfast devotion to our school and our class are the reasons we are dedicating this yearbook to him.

We hope your years in retirement are happy and many. Thanks, Smiley, We love you.

CLASS OF 1979

# REMEMBER WHEN

## THE GRADUATING CLASS OF 1979 STRUTS DOWN MEMORY LANE!

It all began at 7:45 a.m. in September of "75" as we entered the doors and felt quisey as we saw the big bad seniors for the first time. That was the beginning of choas, hardwork, Room 11, detentions and other unforgettable events that would take us through "79" when we all could . . .

### REMEMBER WHEN!

Remember the big "DRUG BUST" of "77" when Mrs. Schneider caught 21 girls in the bathroom smoking . . . POT??

Remember when . . .

Grafton had a winning football team — Rah Rah

School was dismissed at 8:45 a.m. — Woops

Mr. Leacu had straight hair?

Mr. Carter had any hair?

How about when everyone froze their bun-buns off as the phantom bomb scare caller used every piece of change to call the high school!

Remember when . . .

The racial incidents began, and you know who put you know whose head through a locker?

The Big Brake Failure that left burnt rubber on the football field!

The trips to Montreal . . . those who went probably can't remember!

How about the continual efforts of the Jocks and Freaks to eliminate each other and everyone's participation — What school spirit!!

Remember when . . .

The bus broke **down** and everyone toked **up**?

Lias Gosselin mooned a car at the Framingham Mall wearing a body cast!

You've heard of Flying Saucers? Well here at G.H.S. we have Flying Tables! Remember, you saw it here first!

Remember when . . .

Everyone broke up after the prom

Don Markt decided the cafeteria could use a new door, so he put his fist through a wall!

Rob's P. and J's

And who could forget when the high school fell under its new "Regime", and the word teacher became synonymous with **SWAT TEAM!**

How about the "Sit In" that followed the new Regime, as Eileen Turcott, the voice of the Students led the way to victory!

Remember when . . .

Breakfast was a bowl of "Miniwheats"!

Smiley wore his "PinStripes"

Wild and Crazy Gary Rochford insisted he was Steve Martin??

Eddie Englehart took a nose dive off the table . . . while modeling!

The little creatons of the night moved the battling cage on the football bleachers, and their conspirators decorated the school with everything imaginable?

Remember when . . .

Kenelm Bridges was changed from a private school preppie, into a Grafton socialite? **WOW MAN!**

Kissing in the halls . . . hehe

Parties . . . Pat's, Checkout, Ed and Ellen's . . . Acapulco Gold . . . Etc

Dropping Acid in the Art room?

Remember when . . .

Lunch was too good to have a FoodFight? Me Neither!!

And to sum it all up, who could forget when the principal forgot the words to the Pledge Allegiance?! What a Rush!

It took all these things and more before we were finally free from Grafton High School, on May 25, 1979, Graduation Day!

Remember this . . . Graduating was the best thing that the class of '79" ever did for G.H.S.

MICHAEL STEPHEN GLATKI  
February 11, 1962 — November 11, 1978

Mike has left our presence  
but surely not our hearts  
For we will always love him  
and that's the strongest part.  
Years will pass and so will we  
but one thing we'll always have  
Those darn good memories  
that Michael let us have.

## Cross Country 79

The 1978 Grafton High Cross Country team was the most successful in history. It completed a 16-0 undefeated dual meet season, captured the SWCL league meet, and finished 8th in all of the district III teams at Gardner. The team was led by Len Morley and Bruce Robie, who consistently ran 1-2 in meets. Paul Feroir, Andy Dechenes, Don Wilson, and Barry Coonan were also consistent point scorers. All members of the team, which totals 28, contributed at one time or another. Mr. Coleman has hopes that this winning habit will continue in the future.

## Field Hockey 79

The Grafton field hockey team had a successful season finishing with an 11-2-3 record. Although they did not take the SWCL title, they played to the semi-finals of the District III championships. Led by MVP's Maryanne Tighe and Jo-anne Black, the defense held the opposing teams to 8 goals including 11 shut-outs. The offense led by Pat Masury with 15 goals, scored a season of 36. Next year's team shows the potential to recapture the SWCL crown.

## Football '79'

The 1978 football season was a season of rebuilding and reconstructions as virtually the entire starting team had graduated the year before. Early season injuries to key performers further handicapped the team. However, the team showed a lot of character and determination in upsetting West Boylston on Thanksgiving day to salvage the season. Senior performers were Mike Curtis, Kevin Donnelly, Gary Rochford, Rob Ledoux, Brook Padgett, Kevin Arnold, Peter Drackley, Mark Steinmitz, William Dussault, Donald Markt, Rob Mason and Charles Bohaboy.

## Girls Basketball 79

Only 3 seniors performed for the 1978-79 girls basketball team. They were Joanne Black, Maryanne Tighe and Laurie Sjoberg. The many underclassmen on the team gained a wealth of experience which should be an asset in the years to come. Highlights of the year were thrilling victories over Hopedale, and West Boylston High Schools. The latter victory reversed a 25 point loss earlier in the season.

## Boys Basketball 79

The varsity Basketball started very slow, losing their first seven ball games. The team worked very hard and it began paying off. They played 500 % basketball the rest of the year, playing the leagues best teams very tough whether winning or losing. The strong effort resulted in an invitation to the Clark Tournament. The team was lead by the scoring of Steve Keith and Ron Mack. The play making of Bruce Teixeira and the hustling efforts of Barry Coonan, Jim Moffat and the rest of the members of the squad.

## Ice Hockey 1979

The 1978-79 Ice Hockey season was a rebuilding year in all senses. The championship team of 1977-78 was completely obliterated by graduation save Michael Curtis, Devin Donnelly and Robert Mason. Led by these three seniors, an almost full complement of first year team members worked well and matured as the season progressed. Although this was the first Grafton team not to qualify for the district playoffs, the enthusiasm and determination of the younger players will make its mark the future.

## Track 79

The 1979 Boys' Track team finished the season with an 8 and 4 dual meet record. We also did very well in the district relays and we were edged out of second by one point in our league meet.

During the course of the season we broke school records in the 2 mile run, mile run, and mile relay. Our season was successful because of a total team effort held together by a group of outstanding seniors.

## Softball — Baseball 79

The 1979 softball season kept a winning percentage with a record of 10-6. Led by co-captains Laurie Larkham and Jo-anne Black, the rookie team finished third in SWCL play. Sophomores Chris Reed and Pat Masury supplied much of the hitting power; Chris batting a team high of .527 and Pat having a team record of 55 RBI's.

The 1979 baseball team was a young and unexperienced group. The final record of 4 wins and 15 losses was deceiving in that the team played well in all but three games, and the unexperience showed itself by losing several games in the late innings. Rob Ledoux pitched well, getting all four wins, and turning in excellent performances in losing efforts as well.

Mike Curtis played super defensive ball in center field, while Jeff Moriarty hit well. Peter Drackley's catching, hitting, and hustle never ceased. Freshmen Tom Hussey, Scott Novick, Tom Morris, Pete Tonelli, and Jim Simmoneli got much playing time.

The future looks bright for the baseball program, as all these boys will be better players next year.

## 1979 Tennis

After an opening match loss to a strong Westboro team, the Indians proceeded to reel off 5 straight league victories headed by an impressive trio of seniors Linda Matson, Mary Beth Cuddy and Pamela Foto. It appeared that a league championship and the Districts were within reach. However, key injury dashed our hopes for an expected championship season. With the loss of four seniors, next year's team headed by Barbara Mangano and Heather Johnson will be faced with a formidable task.

The boys varsity tennis team had one of it's finest seasons in it's short 3 year existence for the first time. The team challenged for the Southern Worcester County League Championship. The team was led by the senior co-captains Bruce Teixeira and Jim Moffat.

## **Wyman-Gordon. Developing new technologies to cut the cost of progress.**

Oftentimes, progress is difficult without sacrifice. At Wyman-Gordon Company, we're developing new metals engineering technologies to help minimize the price of progress for our customers, while maintaining, and improving, the quality and reliability of metal components—for everything from spacecraft to submarines.

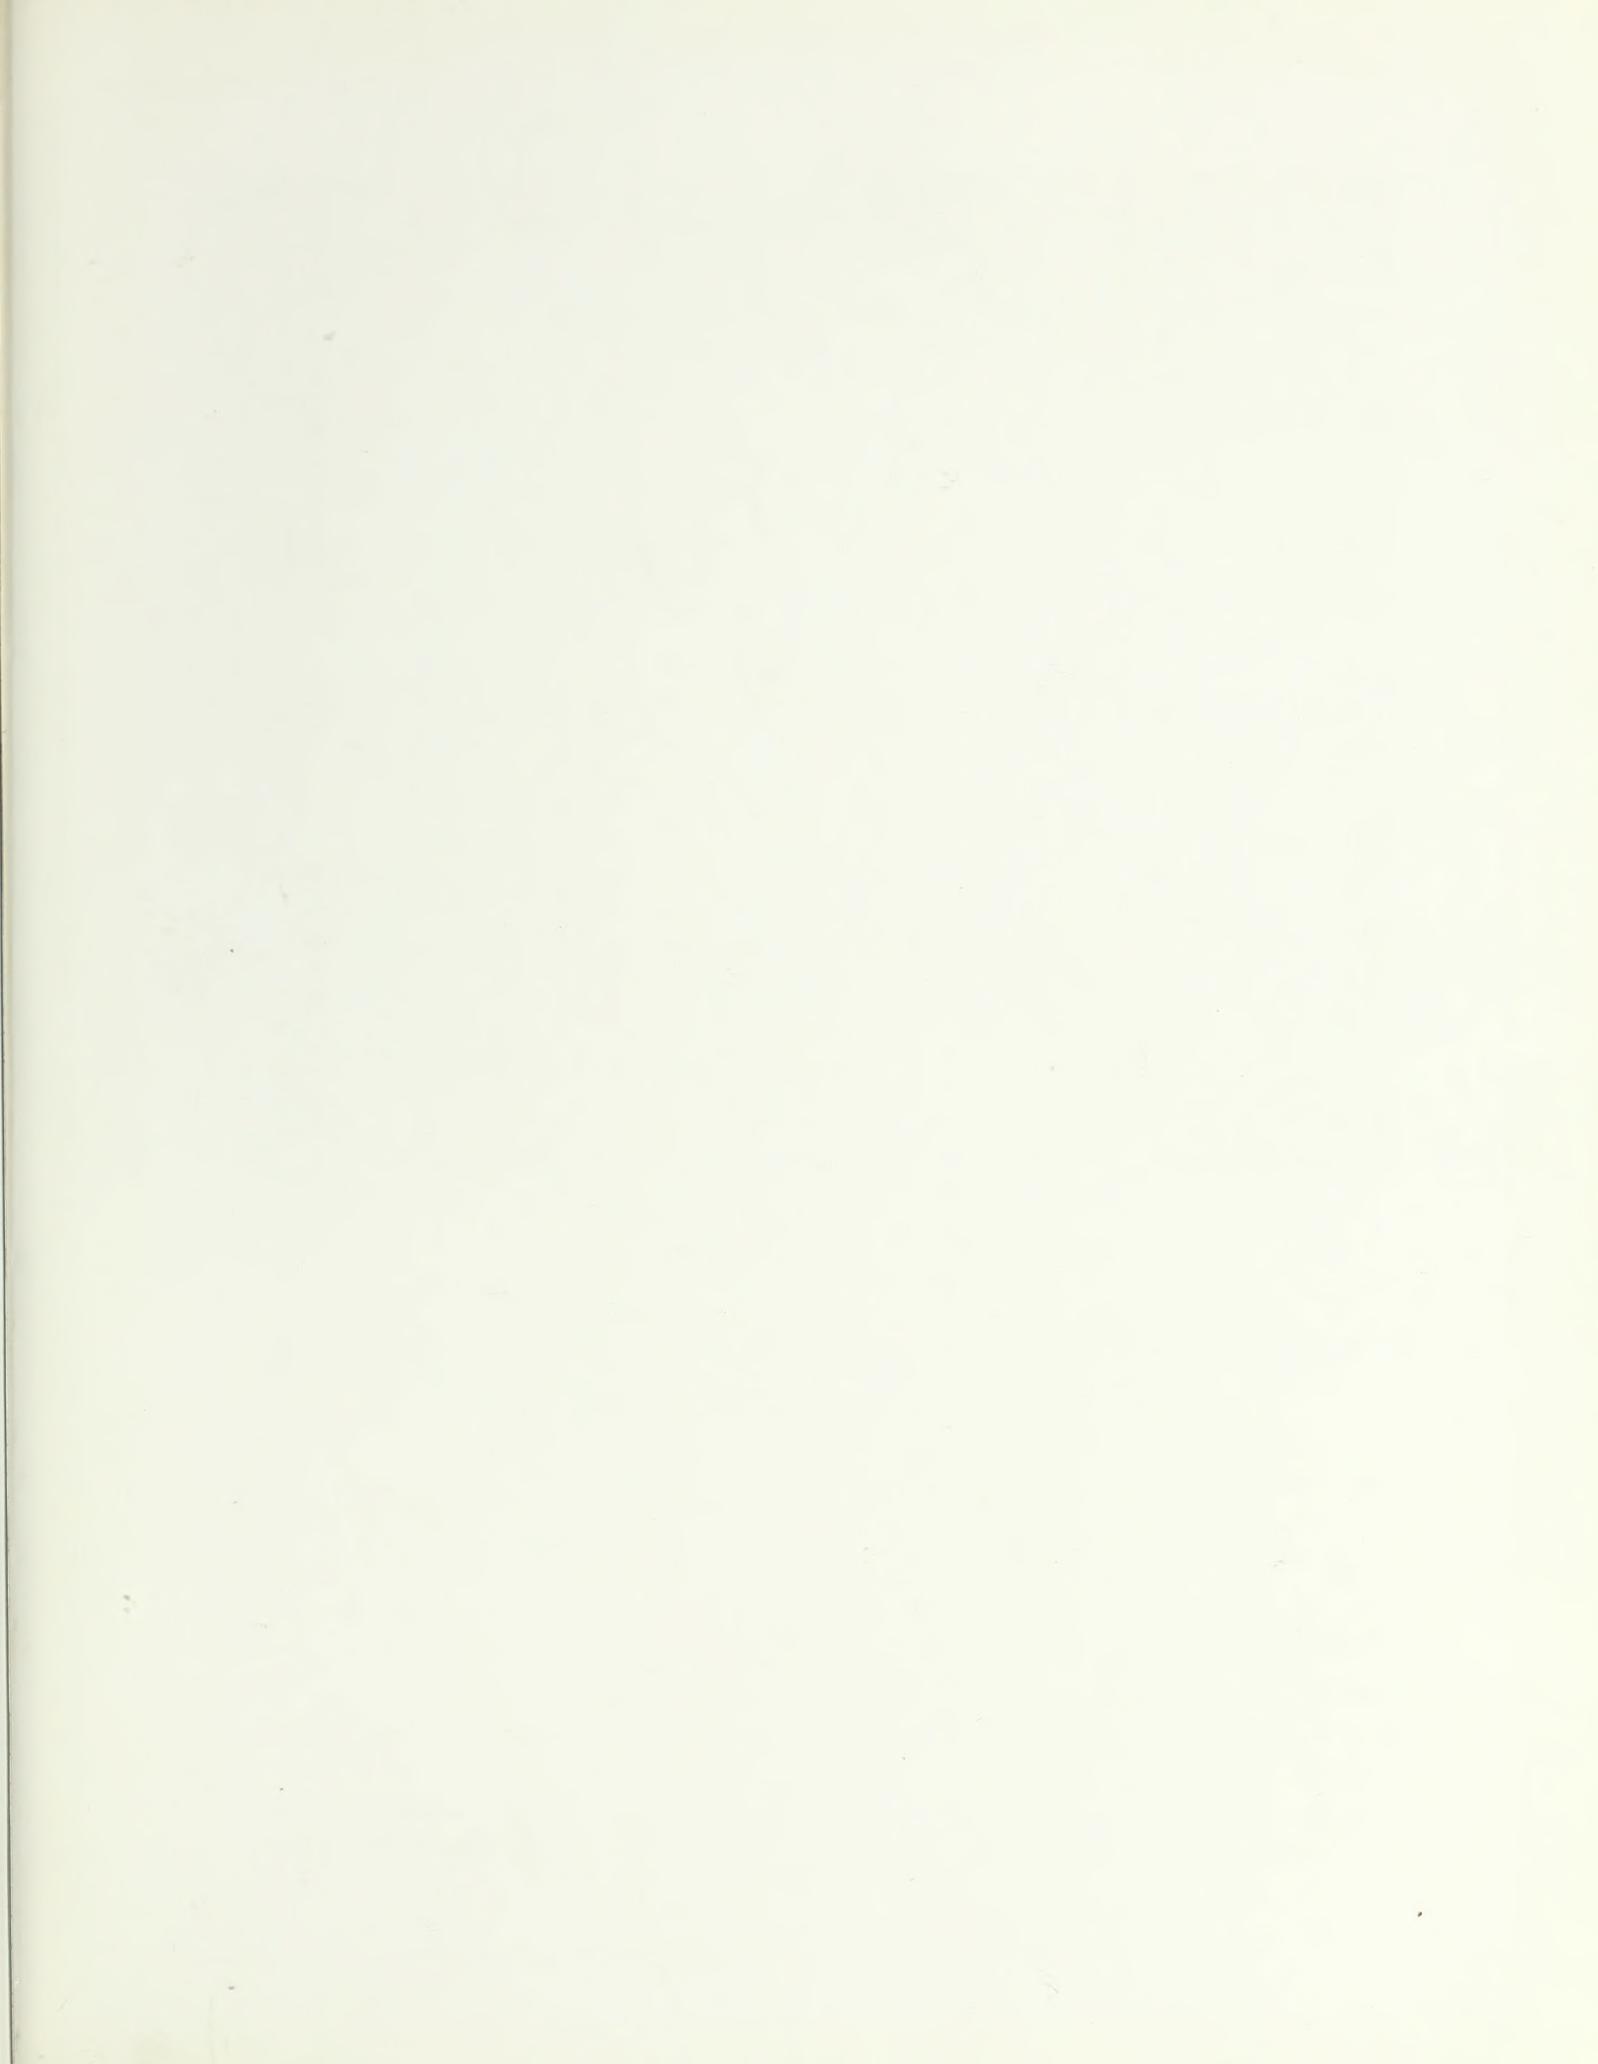

Hot die forging. Isothermal forging. Hot isostatic pressing (HIPing). All new metals engineering processes that are designed to produce parts to near net shape, or as close to final configuration and weight as practical. Why? Because a part produced to close tolerances requires less raw material input and less

machining. That saves natural resources, and dollars.

Since 1975, Wyman-Gordon has invested \$6 million in developing near net shape technology, making the company the acknowledged leader in the field—and the only metals engineering company that has production capability with all three processes.

Success in business means more than producing a product and finding a market for it. Success means anticipating industry needs and responding to those needs in ways that make progress possible without compromise.
